

Virtual Home Insurance Basics 101

Join us for a free 60-minute interactive workshop designed to educate the public on insurance coverage, risks and claims. This virtual workshop will help you better understand policies and coverage, and provide practical and simple tips to help avoid potential losses. Spanish translation services will be provided.

Educational Resources and Giveaways!

Topics include:

- Policy coverages
- Policy limits
- Premium discounts
- Most common losses like theft, water, and fire/wildfire
